

IT SEEMS that an organization such as the FCC, paid for by our taxes ,should be protecting our first ammendment rights ,not taking them away.I support and love Sattelite radio and use XM weather and traffic updates on my commutes and at home .It is instant and precise ,without having to wait for 20 minutes of mindless advertising.The NAB is a self serving group who do not represent the listeners views and rights. I also would like to express my anger of controlling content such as The Howard Stern Show and other programming .The Views and content on these shows should be up to the individual rights of citizens to listen to ,agree or disagree with... AND USE THE POWER OFF OR SWITCH STATION BUTTONS THAT COME WITH ALL COMMUNICATION EQUIPMENT IF YOU DONT WANT TO LISTEN!
